

PHOENIX Afterglow 2023

PHOENIX Wines are a gateway to exploring new wine styles. While our premium Corcelettes Winery brand showcases estate-grown grapes from the Similkameen Valley, PHOENIX wines venture beyond our estate, sourcing grapes from nearby regions with complimenting varietals and unique characteristics. By thoughtfully selecting these non-estate grown grapes, we unlock the potential to express our art and create exciting wines that are more accessible in price without compromising on taste or experience.

PHOENIX Wines invites wine enthusiasts of all levels to join us and experience the thrill of discovery!
